How to use the bundle

1. **Learn a chapter** from the notes: concepts, formulas, derivations and diagrams, in NCERT order.
2. **Practise that chapter's board questions** in Part A of the PYQ book (sorted by marks, with full solutions).
3. **Take the chapter's online tests** (Sets 1–5, easy to HOTS): instant score and a solution for every question.
4. **Last two months:** solve the full board papers in Part B of each PYQ book and the 5 full-length online tests per subject, timed.

Value: bought separately these 9 packs cost ₹1,191 (MRP ₹1,641). Notes PDFs carry your name and order number; print in colour or black-and-white.
