Where to find everything: open notesbazar.in > [My Notes](#) and log in with the mobile number you used to buy. Each of the 12 packs is listed there separately with its chapter PDFs. The online tests open from the links above (same login).

How to use the bundle

1. **Learn a chapter** from the notes: concepts, formulas, derivations and diagrams, in NCERT order.
2. **Practise that chapter's board questions** in Part A of the PYQ book (sorted by marks, with full solutions).
3. **Take the chapter's online tests** (Sets 1–5, easy to HOTS): instant score and a solution for every question.
4. **Last two months:** solve the full board papers in Part B of each PYQ book and the 5 full-length online tests per subject, timed.

Value: bought separately these 12 packs cost ₹1,588 (MRP ₹2,188). Notes PDFs carry your name and order number; print in colour or black-and-white.
